GRADE: 5TH

RESIDENCY TITLE: PATTERNS AND FRACTALS

DATE: 12.2008

IN MY OPINION...

I learned to think about...

Pictures in My Head that I have never seen before.

Things I know how to do now include...

Drawing Pictures with My Imagination.

When I think of art now I feel...

Like a different Person, a happy Person.

Something new to me was...

Drawing Pictures with Motion, and feeling.

The artist motivated me to...

Draw Pictures that came up to me in My head
and Heart.
